

AJR International, Inc

Quality Service Continually Improved

AJR International, Inc., headquartered in Glendale Heights, Illinois is a leading reverse logistics and remanufacturing / refurbishment company for major OEM, electronic device and component manufacturers. Products include audio, instrumentation, mobile electronics and 2-way radio systems. Our quality, training, flexibility and fast delivery allow us to meet the needs of the largest OEMs.

Since its formation in 1990, AJR International has continued to grow in both our business volume and quality of service. To increase our customer satisfaction and provide services to new and diversified clients, AJR moved into its new state of the art facility in 2007.

We are dedicated to meeting the needs of our customers and in surpassing stringent demands for quality control and on-time performance. Due to our quality, responsiveness and flexibility, we have maintained increasingly effective relationships with General Motors, Delphi, Volkswagen, ICOM and others. Our dedication to operational efficiency and excellence has led to a continuous series of superior internal and external process and quality audits.

Our facilities in Illinois and Minnesota have continually grown and expanded their service offerings to OEM manufacturers throughout North America. From the early days of simple car radios to the latest state-of-the-art digital devices of today, our customers have relied on us for the highest quality

Financial strength and solid growth prospects

Firm financial strength ensures the way for a promising future. With experienced and progressive leadership and an expanding diverse customer base across several industries, AJR International continues to grow as a rock-solid company.

We are offering a complete remanufacturing / refurbishment solution for all your electronics products; we look forward to serving your needs.
