

**AJR International, Inc**

**Quality Service Continually Improved**

Through established partnerships with transportation enterprises, AJR reduces the time and risk associated with transporting products, meeting time-sensitive deadlines and minimizing service inventory pipelines. Efficient and timely movement of materials in and out of our operations, identifying the most effective carriers and forwarders while maintaining ongoing visibility to shipments.

AJR offers a complete returns package; we will validate the material being returned for credit or remanufacturing / refurbishment; including product evaluation, retiring of unusable product, and isolating "NTF" product for restock or repacking and shipment.
